

March 23 | Praise the Lord! We are thankful that funds have been raised to hire more staff at our partner ministry, the **Kabwe** child and church ministry in **Zimbabwe**. They operate a weekly feeding program that serves more than 100 children during this season of severe drought in the country. Increasing their staff will help expand their reach in the community.

March 24 | Please pray for a sponsor for **Jade**, a young boy in the **Philippines** who loves to learn. At **Home of Hope**, he gets to hear from the Word of God while learning lessons such as self-control, love, generosity, thoughtfulness, and forgiveness. With sponsorship, Jade will receive nutritious food, clothing, education, and medical care.

March 25 | Please pray for **strength and wisdom** for **Community House Damaris director Dina Petrou and staff** as the shelter transitions into a much-needed new building.

March 26 | Please pray for the **refugee crisis in the Middle East**. Currently, more than 71 million displaced people have fled their homes in countries such as Syria, Afghanistan, Iran, and Iraq to escape violence, war, persecution, and many disasters. Pray for peace, restoration and, most importantly, that these people will encounter and accept Jesus as their Savior.

March 27 | Please pray for a sponsor for one of our national leaders, **J.K.**, serving in a high-risk area. He grew up in a Christian home, but he refused to get involved in the church until his father forced him to attend a Christian Assembly convention. It was there that he wept for his sinfulness, repented and was baptized. He began going to surrounding villages to share the Good News after reading Matthew 20:18-20, which convinced him that he must help as many villagers as possible become more aware of the gospel. In addition, he distributes New Testaments, gospel tracts and Christian literature, while also spending time in prayer with those he visits, as he helps people in their faith journeys.

March 28 | Please pray for the preparations for **AMG Uganda's pastor training** in May. Many of these pastors will travel great distances and take a break from their jobs to attend the training. Pray for their hearts to be open and their minds to stay sharp as they soak in the lessons, and that they would be encouraged during their fellowship together.

March 29 | Please pray for our many **refugee ministries in Greece** as they serve hundreds of people daily who are adjusting to their new lives in Europe. Our greatest desire for them is to learn about the love of Christ. Pray that gospel conversations will continue to arise in our centers.

March 30 | *By Grace School* in **Thailand** is in need of an English and math teacher. Please pray that the Lord will raise up individuals to fill these gaps before school begins in May.

March 31 | **Pathanapan** is a young man from a **Thai** Buddhist family. His parents are part-time farmers who also work part-time at a furniture factory in the city to create the income needed to provide for the family. However, this takes them away from home for months at a time. Pathanapan lives with his grandparents when his parents are away. Please pray for a sponsor for Pathanapan. In AMG's child and youth development program, national leaders could help him with his homework and provide healthy meals. The center would also give him the Bible training he will need to be able to counter his Buddhist background.

Thank you for your faithful prayer support.
We appreciate you!

Alice is often sent home from school because her mom doesn't earn enough to keep up with her education fees. Please pray for a sponsor for Alice so she can attend the local AMG child and youth development center, receive adequate healthcare, and benefit from a quality education and regular Bible studies.

March 4 | Please pray for two **Mission Adventures** teams from **Cedarville University** as they serve in **Peru** and **Guatemala** through March 8.

March 8 | **Milsi** lives in **Guatemala** with her family. Her father is a nurses' aid, and her mother is a homemaker. While Milsi's parents work hard, they are not able to afford all that Milsi needs, including an education. Please pray for a sponsor for her through AMG to provide the opportunity to grow physically, mentally and spiritually.

March 9 | Please pray for AMG missionary **Fotis Romeos** as he **travels** to the United States this month. He will be meeting with churches to provide ministry updates and to raise much-needed support for operations in Greece.

March 10 | Please pray for a sponsor for **Farel**, a precious boy with big dreams living in **Indonesia**. His father works as a truck driver, and his mother is a stay-at-home mom. Due to a lack of stable employment and low wages, Farel's father struggles to provide for his family's needs such as food, transportation, shelter, and education. With a sponsorship, Farel will have access to education, supplemental nutrition, and most importantly, he will hear the Good News of salvation and learn about God.

March 11 | Please be in prayer for the students at **By Grace School** in **Thailand** as they take their year-end exams.

March 12 | Praise the Lord! The funds needed to purchase a motorcycle for one of Arthur Yanweh's national leaders in Liberia have been raised! The motorcycle will help our national leader access many remote villages to preach the gospel message.

March 13 | Please pray for a sponsor for **N.P.**, an AMG national leader serving in a high-risk area. *"I was born into a traditional family at a time when my country was dominated by Soviet communist dogmas. A search for a more meaningful life along with an inherent intellectual curiosity urged me to start visiting an evangelical church during my adolescent years. The words of Jesus, regarding our need to be born again, deeply touched my heart and mind. I confessed my sins, asked God for forgiveness, and committed my life to the Lord."* After several years of training, God has given N.P. a healthy ministry. Please also pray for this teacher as he continues to teach and disciple God's children.

March 14 | Please pray for the safety of AMG Missionary **Mary Restrepo** and her team as they **minister to young girls and women** on the streets of **Spain**. They help many women who are trapped in human trafficking.

March 15 | Please pray for the **Mission Adventures** team from **Woodburn Missionary Church** as they travel to **Greece** on March 15. They will be touring different biblical sites, as well as serving refugees at **CosmoVision Center** and our **Homespot** ministries.

March 16 | Please pray for the **gospel broadcasts** heard on 25 radio stations in **Indonesia** each month. These stations are a part of AMG Indonesia's media evangelism ministry; broadcasting various Bible programs that allow listeners to call in and ask questions.

March 17 | **Supattra** lives in a small farming village in the mountains of **Thailand**. Her parents grow corn and rice crops. For several years, the weather has prevented a good harvest, which has resulted in her parents having to take out loans to pay for basic needs. Please pray for a sponsor for Supattra to help her family pay for her education and healthcare. As a part of the AMG sponsorship program, Supattra will have an opportunity to attend Bible studies and hear the gospel.

March 18 | Please pray for the thousands of **Venezuelans still fleeing their country** due to the economic collapse. They are seeking refuge in Colombia, Peru, and other South American countries – many make the entire journey on foot with their families.

March 19 | We praise the Lord and request your prayers for **new AMG staff member Kevin Crow**. He is our new Sponsorship Coordinator. In this role, he will be working with our child and youth development centers in the field, as well as helping with accounting in the home office.

March 20 | **Stellah** is a national leader serving with **AMG Uganda**. She is an administrator at the central office in Kampala working with our child and youth development centers. She has witnessed the transformation of many children as God delivers them from despair and gives them hope through a quality education and the promise of eternal life. Please pray for a sponsor for Stellah.

March 21 | Please pray for the **numerous Mission Adventures teams** as they meet to prepare for their trips.

March 22 | Please pray for a sponsor for **Maria**, a little girl who lives with her family in **Uganda**. Her father works odd jobs, and her mother is a maid. Support for her to attend the child development center will give her access to healthcare, adequate nutrition and education, which her family struggles to consistently provide for her. She will also have the opportunity to hear the gospel and attend Bible studies each week at the AMG center.
