

**April 20 |** Please pray for **AMG national leaders Robert and Micheline Dfouni**, serving in **Lebanon**. They run an evangelistic Facebook Page called *Yom Jaid (New Day)* that creates a space for Muslims, atheists, and people of other religions to have a safe place to ask questions about Christianity.

**April 21 | Carlos** is an active boy living in **Peru** with his family. Carlos's mother sells flowers, and his father works various jobs as he can find them. Together, their income does not provide any more than necessities for their family. Please pray for a sponsor for Carlos, who would allow him to learn in a safe and caring environment at an AMG child and youth development center. He will receive nutritious meals, help with his schoolwork, and foundational biblical instruction while attending the childcare center.

**April 22 |** Please continue praying for the **Tava Project** in **Guatemala**, a ministry serving those affected by the volcano eruption in 2018. They are working on adding two more containers to house an English classroom and a youth center. Becoming fluent in English will provide students with more job opportunities in the future.

**April 23 |** Please pray for our many **missionaries and national leaders** serving in **refugee ministries in Greece**. Much of the work is shifting to longer-term relationships as refugees are settling into new lives in Greece, which allows the opportunity to daily show Christ's love. Pray that gospel conversations will continue to arise, and the hearts of the refugees will be open to salvation.

**April 24 |** Please pray for a sponsor for **Mirlande**, one of our **national leaders** serving with **AMG Haiti**. She is passionate about sharing God's truth with young people and works with the AMG child sponsorship ministry while also organizing children's activities in her church.

**April 25 |** Please pray for **Leigh and Lea Betts** as they continue their work of **Bible translation for the Pwo KaRen people**, as well as opportunities for them to witness and share the saving grace of Jesus Christ to this people group.

**April 26 |** Please pray for a sponsor for **Brayan**, a sweet little boy who lives in the hill country of **Peru**. Brayan's parents are separated, so he lives with his mom and sister. His mom stays home to take care of the children; therefore, they have no source of income. They live in a very dangerous area affected by drugs and alcohol, and sponsorship would provide him the opportunity to attend the AMG child and youth development center, which would give him a safe place to learn about the gospel.

**April 27 |** Praise the Lord and **happy birthday to our AMG missionary Lois Oglesby**, who is serving in **Mexico**. Please pray for strength, joy, and peace for this next year.

**April 28 | Chelluri** is a little boy who lives in **India**. His father died in an accident. His mother works at a college, but does not earn enough to provide for her family's needs. Chelluri and his family belong to a Hindu community where they live in a small house in a village. His mother could not afford to pay the school fees, buy books, or a uniform. Please pray for a sponsor for Chelluri. With a sponsor, he will be able to receive a good education, as well as hear about the love of Christ through AMG's child sponsorship program.

**April 29 |** Please pray for **Harold Ebersole**, one of our partners who serves with our **child sponsorship program** in **Bangladesh**. He is back in the USA, battling cancer. Please pray for healing, as well as peace for him and his family during this time.

**April 30 |** Please continue to pray for our **efforts to expand into more countries in 2020**. We have opportunities to partner with national leaders in closed countries in the Muslim world – Iran and Malaysia in particular.

Thank you for your faithful prayer support.  
We appreciate you!

APRIL 2020

MEETING THE  
DEEPEST NEEDS

# PRAYER & PRAISE

*"We are compelled by Christ's love  
and His commission to make disciples  
among the nations."*

**April 1** | Please pray for **AMG Guatemala's Board of Benefactors** meeting this week. Pray for focus, clarity, and progress to improve how AMG Guatemala is meeting the deepest needs in their country.

**April 2** | Pray for **AMG Haiti Director Rodné Romeus** as he leads two schools and two clinics amid political and social unrest in the country.

**April 3** | **AMG national leader, Pastor Jorgé Ovando**, is the pastor of a church in Lujan, **Argentina**. The church is blessed to sponsor a Christian school and host several weeks of summer and sports camps each year. Pastor Ovando has a heart for evangelism and speaks at multiple conferences and seminars. Please pray for a sponsor for Jorgé.

**April 4** | Please pray for **AMG missionary Richard Hetzel** as he continues to work with national leaders in **Peru** to develop a pastor training curriculum for the pastors serving in rural Amazonian villages. Many of these pastors do not have access to any biblical training or materials.

**April 5** | **Hosanna! Praise the Lord for sending His Son as the Messiah who saves us from our sin.** On this Palm Sunday, may we reflect on His love and goodness, and thank Him for the gift of everlasting life.

**April 6** | Please pray for physical strength and stamina for our **missionaries serving in Thailand** during the hot season, with many days reaching temperatures above 100° Fahrenheit.

**April 7** | Please pray for a sponsor for **Allison**, a little girl who is living in **Peru**. Allison's father is a construction worker, but he does not earn enough to provide for all of the family's needs. They live in an impoverished and dangerous neighborhood where there are many gangs and crime. Please pray for a sponsor for Allison so she can join the AMG child and youth development center, which would provide a safe place for her to attend Bible studies, receive medical care, and help provide school fees to continue her education.

**April 8** | We praise the Lord and request your prayers for **new AMG staff member Hunter Wilson!** Hunter is our new *Donor Services Coordinator*, overseeing our donation processing. **Welcome, Hunter!**

**April 9** | Praise the Lord and **happy birthday to our AMG missionaries, Renae Timbie** serving in **Greece**, **Rafael Restrepo** serving in **Spain**, and **Jeremy Gatzke** serving in **Thailand**, who have birthdays this week! Please pray for blessings, guidance, and wisdom for them over this next year of life.

**April 10** | As we **reflect on the crucifixion of Christ today**, please pray for those in unreached places who have not yet heard the gospel. Ask God to open their hearts to Him in miraculous ways and that they will know and accept the marvelous gift of salvation and eternal life.

**April 11** | **K.P.** grew up in a family of idol worshipers. As a result, he lived a sinful life until the day he inadvertently walked into a stranger's home after drinking too much. A gospel meeting was being held there and an elder invited K.P. to sit and listen to a message about 1 John 1:9. Following the meeting, K.P. asked for a more in-depth explanation of the verse. After learning the Good News and trusting Christ, he began sharing his testimony with others, eventually accepting a call to full-time ministry. K.P. now leads fifty believers meeting regularly in a prayer hall, as well as distributing the New Testament and Christian literature in surrounding villages as they proclaim the gospel. Please pray for a sponsor for K.P.

**April 12** | **Praise the Lord, He is Risen!** The resurrection reminds us that He makes all things new in His timing. The same power that rose Jesus from the grave lives inside us as believers, and we are fully alive because of Him!

**April 13** | Please pray for **AMG India national leaders** as they are **working to build 50 new borewells** in rural communities desperately suffering from the severe drought. Each borewell serves hundreds of people, their livestock, and neighboring villages with clean water. Please also pray they are open to hearing the message of the One who provides Living Water as these national leaders share the gospel in each home during and after construction.

**April 14** | Please pray for a sponsor for **Thanwarath**, a little girl who comes from a Hmong tribe in **Thailand**. Her parents have only a sixth-grade education and are farmers. Their income from farming is not enough to adequately provide for the family, and they have fallen into debt.

Thanwarath participates in **AMG's New Hope Child and Youth Development Center** located in northern Thailand. At *New Hope*, she receives nutritious meals, tutoring, and weekly Bible lessons that share the saving knowledge of Jesus Christ. The center places a strong emphasis on Christian values and principles that will prepare children in need of a brighter tomorrow.

**April 15** | Please pray for the **Dios es Amor School** in **Mexico**, where **AMG missionaries Manuel and Ruth Lopez** serve. The school serves children with special needs who otherwise would not have access to adequate education.

**April 16** | Please pray for **AMG national leader José Apón's daughter, Lea**. Her body is rejecting a kidney transplant she had three years ago and she is very sick. Please pray for God's healing hand, peace for the family, and His financial provision for them as well.

**April 17** | **Nikos** was born and raised in a Christian home where the Bible and Christian ethics were the main focus in their family life. He came to faith at the age of 13. His vision for the discipleship and Bible translation ministry that God has called him to is for the people of Greece to come to know Him and accept His Holy Word in their lives. Please pray for a sponsor for Nikos to help him continue meeting the deepest spiritual needs of his countrymen.

**April 18** | Please pray for the **Bugongi College of Nursing and Midwifery** as they finish their recent expansion in preparation for the new intake of students for the 2020 term. The new three-story building will accommodate separate labs for the nursing and midwifery students, along with additional classroom and office space.

**April 19** | Please pray for a sponsor for **Phiona**, a young girl who lives in **Uganda** with her aunt. Her aunt has a small business that does not generate enough income to pay Phiona's school fees, and she is often sent home from school because of unpaid charges. A sponsor would meet her needs of educational assistance and support, allow her to attend weekly Bible studies and receive basic medical care.
