

June 20 | Praise the Lord and **happy birthday** to our **AMG missionary and Vice President for Eastern Europe and the Middle East, Fotis Romeos** serving in **Greece** with his wife, Mary. Please pray for blessings, guidance, and wisdom for him over this next year of life.

June 21 | Please pray for our **national leaders and missionaries**, specifically serving in **Indonesia**. Some of their families have been deeply and personally affected by loss during the COVID-19 pandemic.

June 22 | Please pray for **Las Vistas Child Development Center** in Nuevo Amanacer (meaning New Beginning) in **Guatemala**. There is a high unemployment rate in this area, creating violence and gang problems. Those who can find a job typically work in factories or have a small business. Las Vistas started as a result of Hurricane Mitch in 1998, which left hundreds of homes destroyed. AMG helped build new homes for those stricken by the disaster. After seeing the need for quality education in this area, AMG built the *Las Vistas Child Development Center* and school to continue its ministry efforts.

June 23 | Cheryl is a sweet young girl living in the **Philippines**. She is one of six children in the care of her grandparents while her father works in another city. Unfortunately, it is not uncommon to find Cheryl and one of her siblings wandering the streets looking for food. Please pray for a sponsorship for Cheryl, that will provide her with nutritious food, a good education, medical care and teaching from the Word of God.

June 24 | Please pray that the **summer camps in Thailand** hosted by our national leaders **will be rescheduled** and continue operations so that the 200 children expected to attend will be impacted and transformed by the Word of God.

June 25 | Please pray for all of the various **staff serving in our child development programs**. They are pooling limited resources to provide the children and their families educational items as well as meals during this time of isolation.

June 26 | Please pray for a sponsor for **Marius, a pastor, and a teacher** in Braila, **Romania**. Although he faces many struggles in such an economically challenged

location, Marius faithfully disciples the members of his congregation and also facilitates focused outreach through prison ministry and other areas.

June 27 | Praise the Lord and **happy birthday** to our **AMG missionaries, Reuben Musime** serving as our country director in **Uganda, Victor Magallón** serving in **Mexico**, and **Leigh Betts** serving in **Thailand** who have birthdays this week! Please pray for protection, blessings, guidance and wisdom for them over this next year of life.

June 28 | Please pray for our **national leaders** serving at **Bethesda Mount Zion Medical Center** of Camp Coq and **Bethesda Medical Center** of Grand-Bassin, **Haiti**. The staff in Haiti are unable to help those who have been affected by the coronavirus due to a severe lack of supplies and personal protection equipment needed to prevent the virus from spreading.

June 29 | Please pray for **AMG's Home of Hope Orphanage**, located in Bacolod City in the **Philippines**. *Home of Hope* was founded to help children who are in need. Many children come from broken families, with some having no parental guidance and others being born out of wedlock. Many children who came to the orphanage were malnourished and thin but are now healthy. The children eat three meals a day, attend school, and receive help with homework. The spiritual lives of the children are also improving through training in the Word.

June 30 | Please pray for a sponsor for **Elda**, a little girl living with her parents in **Guatemala**. Her father used to be a fireman but lost his job after a crash. He now works as a farmer and is unable to provide for his family. With a sponsor, Elda would attend the local child and youth development center where she would receive sound biblical teaching, schooling, and nutritious meals. This would make a life-changing impact on her life and would be a huge blessing to her family.

**Thank you for your faithful prayer support.
We appreciate you!**

JUNE 2020

MEETING THE
DEEPEST NEEDS

PRAYER & PRAISE

*"We are compelled by Christ's love
and His commission to make disciples
among the nations."*

June 1 | Praise the Lord and **happy birthday** to our **AMG missionaries, Larry Lowery** serving in **Italy**, and **Stephanie Kozick** serving in **Greece**, who have birthdays this week! Please pray for protection, blessings, guidance and wisdom for them over this next year of life.

June 2 | **Aldrin** is a little boy who lives with his grandmother in the **Philippines**. Aldrin's father passed away, and soon after, his mother left the country to find work. Now, his grandmother takes care of him. His grandmother is unable to work, so the only income they receive is what his mother sends them, which is not enough to support Aldrin, his grandmother, and six older siblings. Please pray for a sponsor for Aldrin so he may have access to consistent nutrition, educational assistance and biblical teachings at the child and youth development center.

June 3 | Please pray for **AMG's child and youth development centers**, which have been **closed due to the COVID-19 pandemic**, and the children who are not able to benefit from the fellowship the centers provide.

June 4 | Please lift up in prayer our **Mission Adventures teams** who have had their **trips canceled or postponed**. Please pray that God gives the team members another opportunity to serve.

June 5 | Please pray for **Heri**, a **church planter** in **Indonesia** who needs a sponsor. He works to develop and establish congregations of believers in a challenging religious environment. Heri grew up in a family that practiced Chinese tribal religions. However, he grew in the knowledge of Jesus from a young age in school and accepted Him as Savior. He went on to study in seminary and now engages in outreach to Muslims and discipleship of Christians in Indonesia.

June 6 | Please pray for our **missionary families who have been separated** due to travel during the border shutdowns. Please pray that they will be able to travel safely back to their families very soon.

June 7 | Please pray for **Upendo Christian Academy** this week. The school began as an orphanage and is now reaching out to many children, providing nutritious food and a good education, while teaching them about the love of Christ. The children attend the center every Saturday to learn Bible lessons, memorize Scripture and play games. The center is open every Monday through Friday to minister to local families and support

them in difficult times. Most importantly, many children are putting their faith in Christ and shining a light into the spiritual darkness in the community.

June 8 | Praise the Lord and **happy birthday** to our **AMG missionary, Lois Jenks**, serving in **Thailand** with her husband, Paul. Please pray for protection, blessings, guidance and wisdom for her over this next year of life.

June 9 | Please pray for **Astrid**, a smart and well-behaved child living with her parents in **Guatemala**. Her father travels seven days a week to sell meat in the market, and also earns extra income growing cabbage and corn. Astrid's oldest brother also works to help the family survive. Astrid lives on a very dangerous street where gangs extort local businesses and sell illegal weapons. Children in the area are frequently malnourished. With a sponsor, Astrid will attend AMG's local child and youth development center where she will receive an education, biblical teaching and nutritious meals. The center provides a safe place to gather with fellow children, and is operated by a loving Christian staff.

June 10 | Please pray for the medical situation in Pakistan as doctors are refusing to test patients due to the lack of personal protection equipment such as masks and gloves. There have also been instances of Christians and minorities not being treated due to biases.

June 11 | Please remember **our leadership team** as AMG continues to navigate how best to send limited relief funds to various countries in desperate need during these unprecedented times.

June 12 | Please pray for a sponsor for **Ilie**, a **pastor** in **Vrancea, Romania**, where he shares the love of Jesus in an impoverished area bound by orthodoxy. He has planted and pastored several churches. With years of experience, Ilie also encourages many of his fellow national leaders as an elder brother in the faith. Ilie is married to Emilia, who teaches Religion in a secondary school.

June 13 | Please continually pray for the **women recovering at Community House Damaris**, a home for those who have escaped human trafficking. They face daily struggles as they seek healing. Please pray that they would have the endurance they need to stay focused on the curriculum, that they would remain healthy, and, most importantly, that they would accept Christ as their personal Lord and Savior.

June 14 | Please pray for **our AMG Uganda staff** as they seek

the Lord for wisdom in how to support their sponsored children, the local church, and communities amid the COVID-19 pandemic and locust crisis.

June 15 | This week, please pray for **By Grace School** in the remote Maecharim district of northern **Thailand**. When AMG first began this outreach, development in the area lagged significantly behind the rest of the country. Because community members have little or no land and utilize rudimentary agricultural techniques, their crops are not abundant enough to support their families. At the end of the year, just before the harvest, children are often hungry and rely on whatever their parents can find or catch in the forest. Today, **By Grace School** is a fully recognized Christian school, operated by dedicated Christian teachers. When AMG first arrived in Maecharim, there were no known Christians in the district. Today many people in the area have placed their trust in Christ and now attend the local church.

June 16 | Please pray for a sponsor for **Dan**, a boy who is living in **Bangladesh**. Dan's father is a farmer, and his mother is a homemaker. There is no school in Dan's home village, and their income is limited, and they need help providing for Dan's education. With a sponsorship, Dan will receive nutritious meals, medical care, and help with school; but most importantly, he will learn and grow in his knowledge of Jesus Christ.

June 17 | Praise the Lord! Please join us in giving thanks that **Iulian Vasile's ministry in Romania is growing**, and his church is expanding in membership. Pray that God guides his hands as he builds a sports ministry complex for people to be active both physically and spiritually.

June 18 | During this time, **our national leaders have noticed a change in attitude with unbelieving patients and medical staff** who are being cared for in the various clinics, and many have started following Christ. Please pray that this transformation in the medical community continues to grow.

June 19 | Please pray for a sponsor for **Joel**, the **director of an AMG-sponsored camp project** in Nan Province, **Thailand**, where he oversees summer camp and other educational camps during the year. Joel also works with local AMG-supported hostels and youth development centers to organize Bible studies and youth meetings held at the camp facilities. He also preaches regularly in the local church.
