

October 21 | Peru is reporting a large increase in Dengue Fever. Please pray for this struggling country and for protection for the children, staff, and national leaders involved in our program.

October 22 | Amidst so many tragedies and struggles, we are thankful for the two million people in India who planted 20 million trees along the Ganges River. In a very difficult year, these individuals decided to give back to their community, all while maintaining social distancing. Praise the Lord for these humble servants!

October 23 | Joan serves the Lord in the Philippines as an AMG national leader. She is a young lady with a thirst for biblical knowledge and a heart for sharing God's Word with others. She is currently a Bible teacher and youth leader at a church-plant in Northern Samar. Please pray for a sponsor to come alongside her and support her growing ministry.

October 24 | Please pray for our pastors serving in India. The country is continually shutting down mission organizations, and the strict Hindu environment makes it difficult for people to understand that Jesus is the only One who can save them.

October 25 | Please pray for the victims of flooding that is occurring around the world, primarily in Bangladesh, India and Pakistan. We have many partners who could use your prayers while they respond to these disasters.

October 26 | Please pray for AMG missionaries Larry and Mary Lowery, serving in northern Italy, as they continue to encourage and pour into their local congregation, and share the gospel with their community.

October 27 | Peace is a sweet girl living with her aunt in Uganda. Since Peace's mother disappeared for unknown reasons, her father has been trying his hardest to provide financially for his daughter but is unable to do so. He has prioritized her education, and Peace has been attending school off and on throughout her childhood. Her father is frequently late on payments, which makes it

hard for Peace to continue at those schools. Please pray for a sponsor for Peace so she can attend AMG's *Upendo Christian Academy*. There, she will receive the resources needed to grow physically, emotionally and spiritually.

October 28 | Please pray for the students and faculty at the *Greek Bible College* as they continue pouring into the next generation of pastors and evangelical leaders.

October 29 | Please pray for Jeremy and Hilary Gatzke as they continue serving in Northern Thailand at *Phayao Bible College*. Pray they are still able to pour into these future pastors and missionaries who are preparing to take the gospel into some of the most unreached places in the world.

October 30 | Jacques is a national leader serving with AMG Haiti. He is a Bible teacher and administrator at *Baptist Evangelical School of Grand-Bassín*. Schools are a vital component of the ministry there, as teachers are privileged to share the love of Jesus with their students and open doors of opportunity to children who have little hope for the future. Please pray for a sponsor to allow Jacques to continue equipping the next generation.

October 31 | Please pray for our national leaders in Pakistan as they are facing persecution because of their faith. One of our pastors, serving in a high-risk area, has been receiving death threats and has had to move his family for their safety.

Thank you for your faithful prayer support.
We appreciate you!

OCTOBER 2020

MEETING THE
DEEPEST NEEDS

PRAYER
& PRAISE

*“We are compelled by Christ's love
and His commission to make disciples
among the nations.”*

October 1 | Cyprus is celebrating its **Independence Day** today. Please pray for our national leaders in Cyprus as they reach their island community through radio evangelism efforts.

October 2 | Please pray for a sponsor for **Raman**, a **church planter** in **Indonesia**. Through your support, **AMG Indonesia** is able to help provide church planters like Raman with the resources they need to meet the practical needs of their families and obtain tools that will help them spread the Good News.

October 3 | Please lift up the **people of Lebanon** as they continue to recover from an **explosion** that killed more than 200 people and injured 5000 others. Pray for the country as they rebuild, and for our national leaders as they share the hope of Christ during this difficult time.

October 4 | **Yohana**, who goes by **Yoan**, is a young girl living in **Indonesia** with her mother and grandmother. Her father works out of town, and his income is not enough to meet the family's needs. Please pray for a sponsor for Yoan who will provide her with the opportunity to pursue her dream of becoming a doctor while also learning that God is our ultimate Healer.

October 5 | Please pray for our **partners around the world** who are **equipping and training national pastors**. Many of these pastors do not have access to Bibles and must learn and teach from memory. Pray that God would provide a copy of the Scriptures to these pastors serving on the front lines.

October 6 | Praise the Lord and **happy birthday** to our **AMG missionary, Mary Restrepo**, serving in **Spain** with her husband, Rafael. They pastor a church as well as run a street ministry that serves human trafficking victims. Please pray for blessings, guidance, and wisdom for her over this next year of life.

October 7 | **Brian** is a young boy living in **Indonesia**. His father works as a public transportation driver. They live with extended family because they cannot afford their own house. Please pray for a sponsor for Brian who will provide him the opportunity to attend AMG's local youth development center where he will receive help with school, basic nutrition and opportunities to hear and respond to the Good News.

October 8 | We praise God for the work He is doing in **Berita Hidup Seminary** in **Indonesia** and for the faithful servants He is equipping. Please pray for the staff, teachers and students as they navigate the school year amidst the coronavirus pandemic.

October 9 | Uganda is celebrating its **Independence Day** today. Our **AMG Uganda national leaders** have been faithfully serving God for almost 25 years and could use your prayers in this difficult time as they navigate through the pandemic, school closures, food shortages, and shutdowns.

October 10 | **CS** is a **national leader** serving with AMG in a **high-risk area**. From rural villages to impoverished slums and overcrowded cities, his country is filled with opportunities to share the gospel with those who have never heard. **CS** grew up Hindu and, as he embraced Christ's teaching, he became committed to spreading the Good News to the people in his village and the surrounding area. Please pray for a sponsor for **CS** who would provide the practical resources his family needs while he helps fulfill the Great Commission.

October 11 | Today is **International Day of the Girl**. This day is a celebration of girls all over the world and is used to bring awareness to the challenges they face in regard to education and human rights. Please pray for the girls we serve in our programs that they will grow into young women of God and have an impact on their communities for His kingdom.

October 12 | Please pray for a sponsor for **Avanapu**, a young girl living in **India** with her mother and brother. Her father left their family six years ago, but before he left, he would spend the majority of his small salary on alcohol. **Avanapu's** mother works as a cleaning lady in a hostel in order to provide for her children, but she does not make enough money to cover the family's basic needs of food, education, and shelter. A sponsor would help break the cycle of poverty in her life by providing funds for her education, regular meals, and, most importantly, access to the gospel.

October 13 | Today is **International Day of Natural Disaster Reduction**. Please pray for our partners around the world who are working to repair their churches and communities, while teaching safety and prevention classes in their villages. Bringing awareness of disaster prevention and safety is a key component to reducing the impact that natural disasters have on their communities.

October 14 | **COVID-19** is still affecting people all across the globe physically, economically, emotionally and mentally. We ask that you continue to pray for those affected by this virus both directly and indirectly and for our national leaders as they minister to affected individuals and families.

October 15 | Today is **International Day of Rural Women**. Women living in remote areas have historically been amongst the most impoverished and disadvantaged demographic. Please pray that the resources provided by our faithful partners continue to benefit those in desperate need of God's provision and security.

October 16 | Today is **World Food Day**. It is estimated that 12,000 people die each day from hunger brought about by a halt in food production during the COVID-19 pandemic. AMG is continually funding relief efforts, but the need far outweighs the resources. Please pray for those who do not know when their next meal will be.

October 17 | Please pray for the chains of poverty to be broken as today is **International Day for the Eradication of Poverty**. Through the efforts of non-profits like AMG, extreme poverty has been on the decline until COVID-19, which continues to affect the global economy and those most in need.

October 18 | Please pray that God would bring a sponsor alongside **Nakarín**, a young boy living with his family in a hill region of **Thailand**. His parents are farmers who struggle to make a living for their family, and school tuition is not a high priority. A sponsorship would allow **Nakarín** to attend the local AMG center where he will receive educational opportunities, regular healthcare, and attend Bible studies.

October 19 | **Mudslides in Myanmar** have killed over 150 people. Please pray for families as they rebuild and recover in the midst of restrictions to relief efforts brought about by the coronavirus.

October 20 | **Allison** lives with her family in **Guatemala** and is in need of a sponsor. Her father is a police officer in another area of Guatemala, and he has to work away from home two weeks a month. When he is home, he works as a farmer. **Allison's** mother works as a teacher in another village and is also away from home a lot of the time. **Allison** spends most of her time with a babysitter. **Allison** and her sister have struggled with their inconsistent home life and inadequate care. Please pray for a sponsor for **Allison** to help provide opportunities she would not otherwise have.
